

Account Closing Request Instructions

Before sending the Account Closing Request Form:

1. Check with your former bank to make sure that no additional information or forms are required.
2. If multiple accounts are involved, please complete a form for each account.
3. Inquire about any possible penalties with respect to early withdrawal before you close the account. If the account you are closing is a Certificate of Deposit (CD) it is important to check the maturity date. You may want to delay the switch of a CD to avoid penalties.
4. Verify that all checks and automatic payments have cleared prior to submitting the Account Closing Request Form.
5. Be sure that all automatic transactions have made the switch to your new **FNB Checking Account** prior to submitting the Account Closing Request Form.

After you've sent the Account Closing Request Form:

1. Check account statements from your former bank to verify that accounts have a zero balance and have been closed.
2. Enjoy your new **FNB Checking Account** and all the great services that *First National Bank* has to offer.

SimpleSwitchKit Switching to *First National Bank* has never been simpler!
