

First National Bank: New Name

Same Great People, Same Great Service!

Artesia National Bank, a branch of First National Bank, will formally change its name to First National Bank this February. This change does **not** reflect a change in ownership, or management of the bank. We are only making this change so that the title of our bank is consistent in all of the communities we have the privilege of serving.

The name change will not affect our daily operations and there will be no disruption of services regarding your debit cards, checks or online access. Our same friendly associates will be on hand to help with your daily and long term financial needs.

Visit our user friendly website, www.fnb4u.com for easy online access, mobile banking or for other financial services and information.
